

Let Us Behold

Kansas City, Missouri | 2021

Lord, let us behold.

What You show in Your almighty grace.

What You give in Your all-knowing ways.

May we trust in Your greatness and goodness.

Let us behold You.

It's not foretold for us to control the way. We think we can, but
You place the pieces.

May we collect the signs, plant the seeds of faith, and harvest
Your bounty.

If only we would. Then You could.

Let us behold.
